

## The Park Referral Program

Share Your Love of the Park and **You Could Earn \$2500!**

If someone you know is house hunting in Red Deer, you could help them and help yourself to **\$2,500** for your referral to The Park. **Plus, \$2,500 for any additional referrals you make to The Park!**

But what would you do with the \$2,500 referral fee? Maybe you save it for a rainy day or you throw caution to the wind and splurge on a vacation. Your options are endless!

Download a referral sheet at [www.lifeatthepark.ca/referral](http://www.lifeatthepark.ca/referral) or fill out this handout with your contact details and pass it on to your house hunter. If they purchase a townhome at The Park in Garden Heights, you'll get your pay out!\*

\*Referrals cannot be working with a realtor, or have visited The Park sales centre with a realtor prior to being referred. Should someone else refer the same person, the first to register will receive the fee. Referral fees are payable upon possession. Subject to change without notice. E.&O.E.
